Welcome

CarelonRx provides access to thousands of pharmacies across the country to choose from when you need medication — local, independent pharmacies as well as national chains. This directory shows you where you can find medication, whether you are at work, at home — or even on vacation. Using these pharmacies in your plan can help you receive the most from your benefits. Just show your member ID card when you pick up your prescriptions.

Certain pharmacies offer flu shots as part of your benefits. Call the pharmacy to make sure it's in your plan before receiving your flu shot.

How we choose pharmacies for our plans
Our pharmacy networks give members choices and flexibility when they fill a prescription.

To help make sure members have easier access to pharmacies in their plan, our networks include local and national pharmacies, such as:

- National chains
- Grocery stores
- Independent pharmacies

This directory is correct as of the date shown. You can also find a list of pharmacies in your plan at **carelonrx.com**. For the latest updates, call the Pharmacy Member Services number on your member ID card.

Si necesita ayuda en español para entender este documento, puede solicitarla sin costo adicional, llamando al número de Servicio al Cliente que aparece al dorso de su tarjeta de identificación o en el folleto de inscripción.
